

## AIPM RegPM Recertification Continuing Professional Development (CPD) Points

The recertification requirements apply to people holding:

- Qualified Project Practitioner (QPP)
- Registered Project Manager (RegPM)
- Master Project Director (MPD)
- ExecPM

The following table lists selected CPD categories and points available for AIPM members to collect for their recertification which falls due every 3 years. Members may be required to support their application for CPD when it comes time for renewal, so we advise members to file evidence to assist in the event they are audited.

**Note:** The AIPM CPD program and points system is not definitive and is subject to change; please validate your entitlement with AIPM if you have any doubts to your points entitlement.
