

Downloading PMI Standards from the website:

1. Go to www.pmi.org
2. On the home page, log in as a PMI member with your user name and password:

3. After logging in, click on the 'PMBOK® Guide and Standards' tab, hover your mouse over the menu-bar to open the download selection window and then click on the class of standard you want to download - a full list of standards.
5. A comprehensive listing of PMI Standards within that 'class' is displayed for downloading. Scroll down to see all of the options and click on the 'download' button for the standard you are looking to download.

Copyright Notice:

All screen dumps contained in this document, reproduced from the PMI web site, are subject to copyrights owned by the Project Management Institute (PMI®) and other individuals or entities. This information is provided solely to assist individual PMI members to access PMI's services and does not constitute an endorsement of Mosaic's products or services by PMI.

Notes:

- As a PMI member in good standing, copies of standards are available for your personal, non commercial, on-screen viewing or download. In order to do either or both, you must indicate that you understand and agree to the Use License that follows which describes the terms and conditions under which these no-cost versions are made available to you by PMI. (**These copies do not allow printing or copying and pasting.**) Any unauthorized use or duplication of this document is considered theft of the work product and will be treated as an infringement of PMI's copyrights.
- All PMI standards are available as printed books. Options to buy include:
 - i. The PMI Marketplace accessible from www.pmi.org (PMI shipping costs are relatively expensive outside of the USA)
 - ii. Amazon: www.amazon.com
 - iii. In Australia, a selection of standards, including the *PMBOK® Guide* can be purchased from Mosaic. For additional information see the Mosaic 'Book Shop': www.mosaicprojects.com.au/Books.html
